

The first Regional Learning Forum of Canada World Youth partners was hosted by Volunteer Centre at the Look Out Hill in Khayelitsha. Staff and youth volunteers from KENVO Kenya, TZ Uvikuita Tanzania and AJUDE Mocambique, joined delegates of Canada World Youth as well as staff and local volunteers of the Volunteer Centre for an intensive time of reflection, celebration of successes and planning for the future.

The CWY team of Nadia Ponce Morales (Senior Programme Associate); Tammy Hoblak and Diane Der (Programme Managers) and Jamie Rooney (Youth Board Member) provided valuable guidance and support – which was welcomed by all partners.

Highlights of the very busy week included
“Having experienced living at Bed and Breakfasts in Khayelitsha and the great working space at Look Out Hill.....

*“Participation of local youth (Sector Project) in meetings and activities”
“Our youth of South Africa, Mocambique, Kenya and Tanzania engaging around issues that are relevant to communities they represent”.....
“The sense of unity represented a mini-exchange programme”.....*

“The future of collaboration between African partners, beyond 2011 looks very promising”.

We look forward to finalizing the workshop report and recommendations shortly.
